## Reviewing and Approving or Rejecting a PSI Surgical plan in [www.zimmersms.com](http://www.zimmersms.com)

Further information can be found on the support.zimmersms.com website

1. When you log in to SMS as a surgeon, the *PSI Workflow screen* will list out cases by action required. The cases that require action are those that have surgical plans that are ready to be reviewed and approved. The corresponding PSI case status of these cases is **"Planning Ready"**.
2. Click on the case you would like to review or, if you have a specific case number, you can search for the case by entering the case number in the Case # field.
3. The link to the surgical plan is located in the Zimmer PSI section of the case. Click on the link to download and open the file.
4. Once a decision has been made to approve or reject a surgical plan, click on the **(Approve / Reject)** link.
5. The Approve or Reject PSI Surgical Plan window will appear (figure 1).
  - a. To approve the plan, enter your SMS user credentials and any relevant comments, select the **Approve Plan** button (figure 1). A confirmation window will appear: select the **Approve** button (figure 2). The case status will be updated to **Surgeon Planning Approved**.
